

Jouvence

CHARDONNAY

2019

Jouvence was created with minimal intervention to produce a unique terroir driven wine. The name translates to Eternal Youth.

Vineyards

These parcels are situated 200 m above sea level caressed by the cooling sea breezes from the Atlantic a few kilometres away. Rainwater is retained in the iron-rich clay and cobble soils which results in low yield and flavour concentration.

Winemaking & Maturation

The grapes were hand harvested, chilled and whole bunched pressed. They were then fermented in stainless steel tanks and left on their lees for nine months before bottling.

Tasting Notes

Clean, fresh nose, delicately perfumed. Hints of pear, citrus and white flower. A fresh and elegant wine.
