

Clergerie Blend 2023

Clergerie is a vinous exploration of the Cape South Coast area in the Cape South Coast, South Africa. Our winemaking philosophy is of minimal intervention to produce a unique terroir driven wine.

Vineyards

These parcels are situated 120 m above sea level caressed by the cooling sea breezes from the Atlantic a few kilometres away. Rainwater is retained in the iron-rich clay and cobble soils which results in low yield and flavour concentration.

Winemaking & Maturation

The grapes were hand harvested, chilled and gently whole bunched pressed. All the components were first blended and then fermented together in 4th and 5th fill french oak barrels. No enzymes or yeasts were added to allow spontaneous fermentation to happen. The wine was allowed to mature for 8 months.

Tasting Notes

Light gold in colour with some sunset nuance. The nose is intense, somehow exotic, with aromas of quince ,oatmeal and salty lemons. The palate is rich and driven by great balance and a lingering finish.
