

Crépuscule

Pinot Noir 2021

Elgin is the coolest wine region in South Africa. This cool climate allows for the perfect ripening of grapes, creating wines that have freshness, flavour and balance. Crépuscule means twilight and is the delicate example of these unique characters.

Vineyards

Made from a single vineyard situated 300 metres above sea level and caressed by the cooling sea breezes from the Atlantic a few kilometres away. Rainwater is retained in the iron-rich clay and cobble soils which results in low yield and flavour concentration.

Winemaking & Maturation

The grapes were hand harvested, chilled and 30% was gently whole bunched pressed. They underwent a 3 day maceration before spontaneous fermentation began. Malolactic proceeded in barrels and the wine was left to mature using 30% New French oak barrels for a period of 11 months.

Tasting Notes

Very light ruby with a brick-red rim. Cola tonic and raspberry nose. Red fruits on a very light palate. Delicate and integrated. Drinks beautifully now and will further improve with cellaring

Production: 5,710 bottles | Cultivar: 100% Pinot Noir | Wine of origin: Elgin

Bottling: 15 February 2022
Packaging: 6 x 750 ml
Bottle barcode: 0606110247269
Box barcode: 0606110247252

Alcohol: 13%
RS: 2.8 g/litre
TA: 5.8 g/litre
PH: 3.29
