

Cabriole

S.Blanc 2024

Cabriole is a vinous exploration of the Bot-River area in the Cape South Coast, South Africa. Our winemaking philosophy is of minimal intervention to produce a unique terroir driven wine.

Vineyards

Situated on the southerly slopes, our parcels are exposed to the cool sea breezes ensuring slow and extended grape ripening. The sandstone soils induce low to moderate vigour which results in low yields but flavour concentration.

Winemaking & Maturation

20% of the wine was fermented and partially matured in seasoned oak, while the remainder retained its zesty clarity in tank. Fermentation occurred at cool temperatures and the final wine was assembled and bottled with minimal intervention to preserve its natural energy.

Tasting Notes

The nose offers lifted aromas of tropical guava, green fig, and citrus blossom, complemented by subtle hints of vanilla and toasted oak. On the palate, it is crisp and lively, with bright acidity framing layers of grapefruit, passionfruit, and a touch of creamy richness. The finish is long and mineral-driven.
