

Callipyge Chardonnay 2023

Elgin is the coolest wine region in South Africa. This cool climate allows for the perfect ripening of grapes, creating wines that have freshness, flavour and balance.

Vineyards

Made from a single vineyard situated 300 metres above sea level and caressed by the cooling sea breezes from the Atlantic a few kilometres away. Rainwater is retained in the iron-rich clay and cobble soils which results in low yield and flavour concentration.

Winemaking & Maturation

The grapes were gently whole-bunch pressed. Fermentation proceeded spontaneously with indigenous yeasts, followed by partial malolactic conversion. The wine remained on full lees for several months. After careful maturation, the wine was blended and bottled without fining to preserve its natural purity and finesse.

Tasting Notes

Our chardonnay opens with vibrant aromas of ripe white peach, citrus blossom, and subtle hints of toasted almond. On the palate, it offers a balanced structure, combining fresh acidity with a creamy texture and delicate mineral nuances.

Production: 1,886 bottles | Cultivar: 100% Chardonnay | Wine of origin: Elgin

Bottling: 6 December 2021
Packaging: 6 x 750 ml
Bottle barcode: 781718587259
Box barcode: 781718587266

Alcohol: 13.00%
RS: 2.8 g/litre
TA: 5.90 g/litre
PH: 3.34
