

Trois Cailloux

Blend 2022

Trois Cailloux is a vinous exploration of the Bot-River area in the Cape South Coast, South Africa. Our winemaking philosophy is of minimal intervention to produce a unique terroir driven wine.

Vineyards

These parcels are situated 120 m above sea level caressed by the cooling sea breezes from the Atlantic a few kilometres away. Rainwater is retained in the iron-rich clay and cobble soils which results in low yield and flavour concentration.

Winemaking & Maturation

This Rhône-inspired blend was hand-harvested and vinified in small batches to highlight the character of each cultivar. Post-fermentation, the components underwent malolactic fermentation and were then blended and matured for 18 months in older French oak barrels to maintain freshness and aromatic purity.

Tasting Notes

An elegant and perfumed red with aromas of wild berries, lavender, cracked pepper, and cured meat. The palate is vibrant and poised, with juicy red fruit, bright acidity, and fine, grippy tannins. A savoury, layered wine with a refreshing, mineral-tinged finish.
